

Year 7 Captains' Speech – Semester 1 Awards Assembly

Hermione: Hi, I'm Hermione, this is Harliah, and we are your Year 7 Captains.

Ryan: I'm Ryan, and this is Jaylen, and we are your Year 7 Vice Captains.

Harliah: We have had a lot of exciting things happen in semester 1, but these are some of our highlights.

Hermione: This year, students across all levels have been working hard on this year's production, *Popstars*. They have been gearing up every Monday, Thursday, and even on the weekends for the big opening nights in August. Tickets are available on Compass, but lots of people have already purchased their tickets, so snag a seat before you miss out! To all the performers, break a leg!

Jaylen: We've also participated in some awesome interschool sports this past semester. Two weeks ago, there was girls' football, boys' netball, and badminton. I participated in the girls' footy team, and we were lucky enough to win all the games and even make it to regionals. There was also girls' netball, boys' football, cricket, and other sports throughout the semester. In a few weeks, Year 7 girls and boys will be heading out to play soccer. Hopefully, they do well.

Ryan: The interschool field hockey sign-ups are now available. I am participating in soccer and hockey. It's always so much fun to play against other schools and meet new people. It would be great if we had more participants to join the fun.

Jaylen: Interschool sports is a fun and awesome part of Year 7, so sign up for any sports coming up. All events are usually posted on our Compass.

Harliah: We hope everyone has had an amazing semester 1 and is settled into high school. We can't wait to charge headfirst into semester 2 with new energy and heaps of fun. With more experience, more confidence, and a better understanding of what it takes to succeed.

Hermione: Despite the cold, I hope everyone enjoys this semester of learning and fun!

Harliah: And next up, we have awards. We hope you enjoy the rest of the assembly.

Hermoine Crocker and Harliah Mierke | Year 7 Captains
Ryan Prest and Jaylen Knight | Year 7 Vice Captains
