

## Dear Oatlands Primary School Families,

It has been brought to council's attention that some parents are choosing to drop off and pick up children from OSHC (before/after school care) and choosing to park in the No Parking area of carpark bowl after the peak school times.

The school is currently using this area as a quick drop off pick up area during the peak school times only – but for all other times it is strictly No Parking.

The No Parking sign means you cannot park in this area or walk away from your car.

Fines apply if the signs are not followed

To ensure all families are clear on the parking rules around this area, please park legally and safely in the over 50 car spaces that are available in this area and **do not** park in the No Parking signed areas if you are dropping off or picking up children from OSHC.
