

KELLY CLUB AITKEN NEWSLETTER TERM 2

Welcome back all!

While we get straight back into Term 2, we would like to reflect on the fun and exciting holidays we had.

During the school holidays at Kelly Club, the children were engaged in some fun and enjoyable themes and activities. Some of our highlights were, watching the Super Mario movie and getting a visit from Mario himself, having an Easter egg hunt, creating many arts and crafts, sport games, learning about wildlife and getting to see and touch the animals that came to the program. Our most popular excursion was going to the Essendon Football Club to join in the community football skills clinic. The children were able to learn new skills, meet and play with the Essendon football players and even get their items signed. We also were able to look at all the trophies and memorabilia located inside the Hanger.

Important Updates-

An email was sent out to all OSHC families in regards to changed with CCS. Please ensure you have read this email and if you have any questions to please contact us.
