Basketball – From the Courts

For the final round of the AIC season, the 6Bs took on ATC. Despite already beating them by a considerable amount in a trial game a couple of months earlier, the boys kept a level head going into the game. We stuck to the same game plan that brought us much success, and once again it worked wonders. Our full court press proved difficult to break, and rattled the ATC side even when they did get through. They missed or turned over numerous opportunities in the first quarter thanks to our defensive pressure. We were even more successful with our offence, and by the 1st quarter had built a nice lead. Under the unrelenting pressure, ATC began to get chippy both physically and verbally. Unfortunately for them, this didn't have much of an effect on the

scoreboard, with the final score reading 52-16. Oli Crowley gets the MVP for another awesome scoring performance while still managing to get it done on the defensive end.

I want to thank all the players of the 6Bs for an awesome season. I feel very grateful that in my first year of coaching I was blessed with such a gifted and entertaining group of individuals. The basketball skills you boys have at this age are profound, as proven by the insane match scores each week. I encourage you all to continue to compete at a high level and make Marist Basketball a nightmare for the other schools in the AIC comp. See you boys next year!!
