

Dear Parents and carers,

The Trivia night is fast approaching (17 August). Here are some ways you can help to make the night a success and provide funds for your boy's club:

Can't make it to the Trivia Night? No problem, you can bid on the silent auction items via Galabid. Or if you're coming to the Trivia night but want to help out the committee because trivia is not your strong point? Great, we have many fun jobs on offer, bean counters, judges of best table and other fun contests throughout the night.

Please see below our requests for help.

Donate a prize! We're looking for prizes to include in the silent auction and to contribute towards hampers so any size and value is helpful. Below is what we're asking from each year group. Please send them in ASAP with your son and leave at student services desk.

| | |
|---------------------|--|
| Year 5: | Kids / novelty / fun theme |
| Year 6: | Beauty / pamper for Mum |
| Year 7: | Cooking / kitchen |
| Year 8: | Sports theme - Rebel vouchers, sport equipment, etc |
| Year 9: | Dads theme |
| Year 10: | Gourmet food |
| Years 11/12: | Gift cards (for lucky "cookie" prizes) |

Bid on the silent auction - YES! You can do this even if you're not attending. See instructions attached for what's available to bid on and get involved in bidding via Gala Bid on the night. There are lots of affordable hampers, vouchers and other items on offer - download the Galabid app today and start browsing for your wish list items. Prizes are coming in all the time so Galabid will be updated right through til Saturday evening.

Volunteer to help. We need helpers beforehand and on the night to wrap hampers, set up, clean up and be counters and judges for the Trivia portion of the night.

Register to volunteer
