Around the Grounds

6A
After going down in the trial match the 6As knew there was a tough challenge ahead of them. They were well aware that the SLC team had a number of talented on-ballers and would play a tough forwards game.

The Marist boys were up to the challenge and a very tight game ensued. The forwards all stood up in both attack and defence but on repeated occasions the team's momentum was halted by poor handling. A 0 -5 scoreline at halftime highlighted the closeness of the match.

The second half was again a contest in the middle with both teams refusing to give an inch. SLC scored twice before Marist hit back ensuring a tight finish, but it was not to be.

I believe this was the best the boys have played all season, regardless of the scoreline. They should be very proud. One last challenge for the season round 3 versus Villanova.
All the best!!

6B

A hard-fought game which saw the Marist team defend well and take their opportunities. All the hard work at practice paid off on the field today. The boys implemented the game plan well. All players had an outstanding game with the brothers Schisas, Nicho and Benji, being awarded the Man of the Match awards. Well done Marist on an incredible win.

6C

The boys fought hard today against a tough opposition. Although, we didn't get the result I was happy with the way the team played. Massive improvements from the start of the season! Passing to space and getting the ball out to our wingers was awesome today! We will be working on our defence at training next week which will have us ready to go out and get a win next week!

5A

The Marist 6As boys played hard, however, weren't able to control the ruck. With 10 turnovers when we had the ball, it was hard for Marist to get any momentum. A more spirited 2nd half enabled us to cross the try line. We will come back next week for a more spirited performance.

5B

It's always a good game against St Laurence's College. Made even more difficult when you only played them last week and they have a chance to immediately respond to the way you play. They came out very strong around the ruck and were playing well. Despite this, Marist 5B stuck to their game plan and worked their way into the game and put the first try on them through some great work spreading the ball wide to Sam Mellifont. The Marist boys hit back again quickly with a run-away try and an in-and-away effort from our front row 40m specialist Jack Gallagher. The boys sired up their work around the ruck and played well however missed a few opportunities out wide. All in all, a great game. Well done to all the boys!

5C

A dominant performance by the Marist boys which is certainly reflected in the scoreline. The boys played some excellent eyes-up rugby with the forwards working hard in the ruck allowing the speed men to crack the game open out wide. Overall, a great game for the Marist 6Cs.

5D

A strong Villanova side let nothing through for Marist and dominated possession with strips and intercepts making it difficult for the boys to score. The boys performed well in most areas but were simply outclassed by a superior team.

Let's hope for a good comeback next week.
