

Treetops

Our Essential Agreement

The students at Clayfield College agree that, for everyone to be able to play safely and have fun in our Treetops Playground, we need some rules. The following are our rules that we all agree to follow:

'Grass' Areas:

1. We look after our grass and keep it clean and tidy.
2. We play gently - we are kind and gentle with our friends, remembering to always keep our hands and feet to ourselves.
3. We are aware of others, to avoid accidental bumps and falls.

Wood Chips and Garden Beds:

4. We keep the plants safe by keeping our feet off the garden beds.
5. We keep the wood chips off the grass and garden beds and keep the bark out of the wood chips.
6. We will not dig in our playground or move the large rocks away from the potions area.

Playground Equipment:

7. We use equipment correctly - we slide down the slide feet first and keep moving in the tunnels. We don't climb up inside or on the outside of our slides.
8. We take turns - always waiting patiently for our turn to use the equipment so everyone has a chance to play.
9. We help each other - we offer to help our friends if they need us to.

Stop and Think:

It's important for everyone to stay safe and have a good time. That means we might need to stop and think about our behaviour and how it impacts others. Any adult can ask us to stop and think if they believe we are being unsafe or unfair.

If you think someone is being unsafe or unfair, make sure you tell an adult so they can help to keep everyone safe and having fun.

Be Creative!

10. We have fun and use our imagination!
