A quality team effort to finish the boys' term/season on a high with exceptional desire, intent and passion to achieve a successful result - a fantastic team win. The boys have been an absolute delight to coach; clear improvement and enhancement each week. A most enjoyable experience.

What a spectacular finish to a great season, after last week's loss the boys regrouped and turned up to play football this morning.

A great pressure contest that saw us control and own the football from start to finish. An unbelievable team effort that got points on the board winning every quarter. It's been a pleasure and an honour to coach this team, thank you boys for all your hard work!!!

Wow what season it has been. Unfortunately, we couldn't get the chocolates to finish the season. Playing against a team coached by Dayne Zorko meant both my and the boys' attention probably wasn't always where it needed to be. Nonetheless, immensely proud of this group and how far they've come. They have formed great friendships and bonds and a love for the wonderful game of AFL. A massive thankyou to all the parents and families for the unwavering support to the team and myself, we cannot do it without you. See you next season!

What a way to end the season! The 5Cs were determined to finish the term on top and succeeded by playing their highest-scoring game yet. The boys worked very hard in defence to keep the ball away from Padua's goal, with positive results. We had a particularly exciting 2nd quarter with 6 goals and 2 behinds scored in less than 10 minutes! A fantastic final game to end a great season.

We had an amazing last game to the season. With a solid opening quarter against Padua, the boys scored 3 goals to a Padua one. While our goal kicking was pretty average in the second quarter kicking 4 behinds, we managed to keep the ball down in our forward half for majority of the quarter. The game was one for the ages, Thomas Relph kicked his first goal in his AFL career. Thomas Quinn was millimetres away from kicking his first goal and Jensen, Elijah and Tom Farley all played their usual great games.
