

Training in schools

# School Holiday Programs

Experience a day in the life  
of a health professional

Are you a student in Years 10-12?  
Interested in pursuing a career in healthcare?  
Be immersed in a real hospital environment  
and get hands-on experience at a one or two-  
day High School Health Adventure program.

Scan the QR code  
for upcoming dates  
and enrol now!

# Explore a career in healthcare

Our two-day High School Health Adventure program lets you experience a variety of different healthcare specialities.

Learn from medical officers, nurses, midwives, physiotherapists, pharmacists, social workers and occupational therapists.

Available in school holidays.

**Wear scrubs**

**Hear from practicing healthcare professionals**

**Learn how to perform CPR on medical mannikins**

**Practice taking and interpreting vital signs**

**Try your hand at suturing and dressing wounds**

**And much more!**
