

Our extra-curricular clubs inspire students to explore interests, build skills and grow in confidence beyond the classroom.

We're excited to have students join our clubs!

To ensure a great experience for everyone, please keep these guidelines in mind:

- Students must follow The King's College Student Code of Conduct and Behaviour Standards while attending clubs.
- After-school club students must be collected at the designated finish time. Repeated late pickups may result in loss of club access.
- Siblings of club attendees cannot stay on school grounds while waiting for pickup.
- Joining a club implies a commitment for a Term. Failure to attend 3 weeks in a row without a valid excuse may result in loss of club access. (Academic clubs do not require a full term commitment)

Thank you for your cooperation—we look forward to a fun and rewarding club experience!
