

Expression of Interest Teen Time Feb – March 2024

Blairlogie is excited to share with you our new program – Teen Time. During February and March, we will be offering a fortnightly Saturday activity. Teen Time aims to create more opportunities for teenagers with a disability to create new friendships and participate in a range of events and opportunities that encourage and promote involvement in our community.

Blairlogie also offers respite services for Teenagers at our Carramar property. If this is of interest, please contact us to discuss how we can combine a Teen Time activity and respite over a suitable weekend, or respite at another time to meet your needs.

Please complete the expression of interest form and email to recreationservices@blairlogie.org by Thursday 1st February 2024.

Once the expression of interest form is received, a confirmation letter will be sent to you along with the schedule of supports. Reminders will be sent via SMS on the Friday afternoon prior to the activity. Please note that completing this expression of interest does not guarantee a place.
