

PORT MELBOURNE TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Dear TeamKids Families,

LEGO Collaboration- One of the biggest highlights has been our new LEGO collection! The children have enjoyed assembling the Star Wars and Harry Potter LEGO sets, with many children choosing to work together, share ideas and support one another throughout the builds. Some children continued their creations across multiple sessions, demonstrating persistence, creativity and teamwork.

Exploring the Golden Wattle- We explored the Golden Wattle, Australia's national floral emblem, through a creative painting experience. The children discussed Australian native flowers and explored the colours and features of the Golden Wattle before creating their own artwork. This provided opportunities for children to connect creativity with learning about Australia's natural environment.

Cooking Club- Our Cooking Club continued to be very popular, with pancake making being a particular favourite. Children participated in the cooking process, followed instructions and enjoyed being involved in preparing and sharing the finished food. Cooking continues to provide opportunities to develop practical skills, cooperation and confidence.

Welcome, Spring - To celebrate the arrival of spring, the children created a beautiful paper butterfly garden. The experience encouraged creativity and allowed children to explore the colours and beauty associated with the spring season.

Looking Ahead – Spring Vacation Care : As we wrap up Weeks 9 and 10, we are excited to welcome the children to our Spring Vacation Care Program! We have a range of exciting experiences, activities and adventures planned for the upcoming break. We look forward to seeing everyone and making the Spring Vacation Care program a fun, engaging and memorable experience for all our children.

TEAMKIDS CLUBS ASC WEEK: 9 & 10

MONDAY

Cooking Club

TUESDAY
