Trinity Primary School

6th August 2026

Dear Trinity Families,

We had an exciting last two weeks with children as we got to know the meaning of the names of children. It was also great to collaborate with parents while you all told the stories behind children's names. This time we also discussed with the children the benefits of fruits and vegetables through a nutrition quiz and conversation. I believe we need more such conversations at home as well.

I would like to thank Molly Brilliant (Area manager) who helped us to order new games which children had requested for. It was great to see children enjoying new games like Monopoly (Australian version), Chess, Spot it, Football and AFL ball. We hope to build our relationship with children stronger as we move forward in this term.

Please share your feedback or any suggestions for getting better in our service.

Check out the fun!
