

## Reach Assessment- Science Results 2019

Last term, 800 students from St Pius X College participated in the inaugural 2019 Reach Assessment in Science. The Reach Assessments are annual progression assessments which provide an external, objective benchmark of learner progress. The data we receive from these assessments helps us get a better understanding of our student's performance in specific skill areas in Science. Overall, our students were awarded 8 Exemplary, 66 Outstanding, 190 Commendable and 90 Good Effort Certificates. The Outstanding, Commendable and Good Effort Certificates will be awarded in Science classes this week, with the Exemplary certificates to be awarded at a future assembly. Congratulations to all award recipients.

Exemplary Certificates- Michael Cheah (5), Robert Oner (6), Maxwell Forbes (7), Jack Lonergan (8), Max Leo (9), Ben O'Reilly (9), Nicholas Ward (10), Jacob Glass (10)

### Outstanding Certificates

Year 5	Year 6	Year 7	Year 8	Year 9	Year 10
David Smith	Ned Bacic	John Carroll	Xander Buckingham	Angus Anderson	Nicholas Biefield
Cameron Powell	Jimmy Furini	Patrick Felice	Cameron Pfeiffer	Justin Park	James Hunt
Tristan Squires	Siddharth Rana	Luke Mooney	Jack Charlton	Ronan Crispe	Matthew Kachel
Oliver Butler	Lucas Youngman	Eliot Sanders	Christopher Elliott	Ralph Montano	Jared Lohtaja
Kieran Yu	Adam Fitzryk	Liam Carroll	Lucas Hamill	Jayden Chan	Luke Massa
	Christopher Tai	Lucas Spinetti	Leo Hart	Bejamin Purcell	Adam Carpenter
	James Slade	Samuel Cummins	Zac Hollinger	Benjamin Cullen	Michael Cavalieri
	Aidan Seifert	Patrick Frost	Daniel Walters	Peter Ja Nastys	Austin Cleary
	Ryan Horan	Ethan Li	Darcy Keenlyside	Marion Tidon	Reuben Cuasay
	Bryan Shon	Cameron Masters	Jamie Leong		Jack Hettler
		Harry Feehan	Hunter Thornton		Nathan Byrne
		Blake Markulin			Joshua Overton
					Emerson Ansted
					James Bellenger
					Angelo Fernando
					Thomas Hopkins
					Charlie Jackson
					Liam Masters
					Patrick Moore
