## Newsletter 2

### Term 2, 2019

Last week we focused our activities around Mothers Day. The children participated in a range of Mothers Day activities and crafts including making Mothers Day cards, flower crafts, answering questionnaires about their mums and icing cookies. It was great to see them getting creative and expressing their love for their mums.

This week we are focusing on 'being a friend not a bully'. We discussed the effects of bullying and the importance of being kind to others. We then designed and created a new bullying poster which the children all signed and we have displayed it in our room. We look forward to focusing on a few more themes throughout upcoming weeks.

- Reminders**

Please remember to sign in to our new system Xplor. You will need to sign in and set up a password. We will soon be phasing out sign in/out sheets and this will be done on the Xplor Care app. Please contact us if you have any questions [0467 772 667](tel:0467772667) or email [aitken@kellycluboshc.com.au](mailto:aitken@kellycluboshc.com.au)
