

Wearing a mask at school.

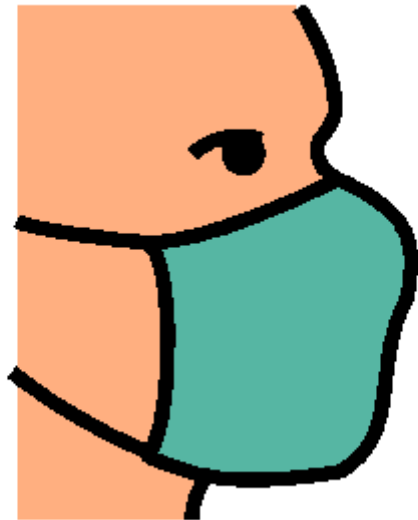

I need to wear a mask when I leave my house.

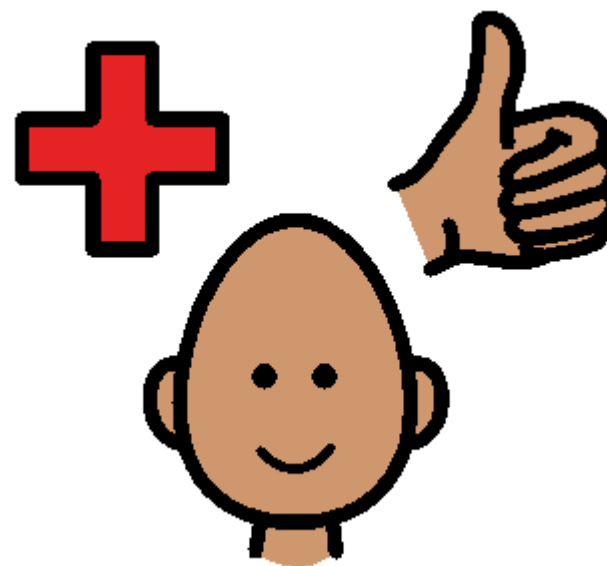

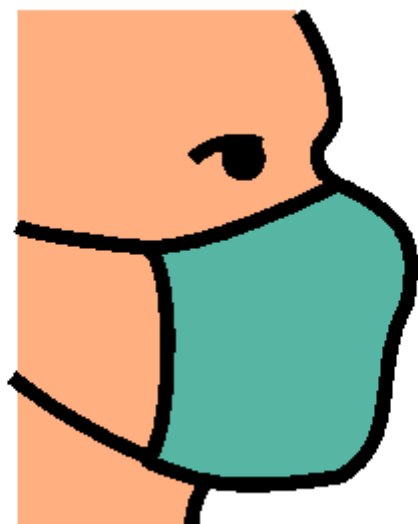

I will wear a mask when I am at school.

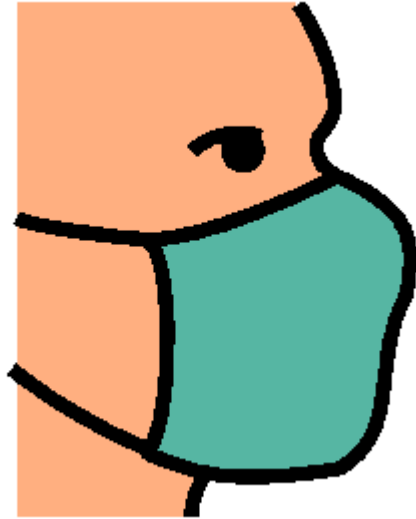

My mask keeps me safe.

I need to wear a mask even if I feel healthy.

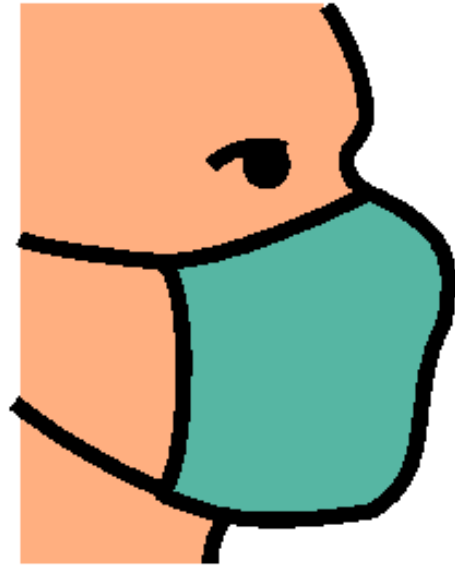

There are many types of masks. I can try different masks to find one I like.

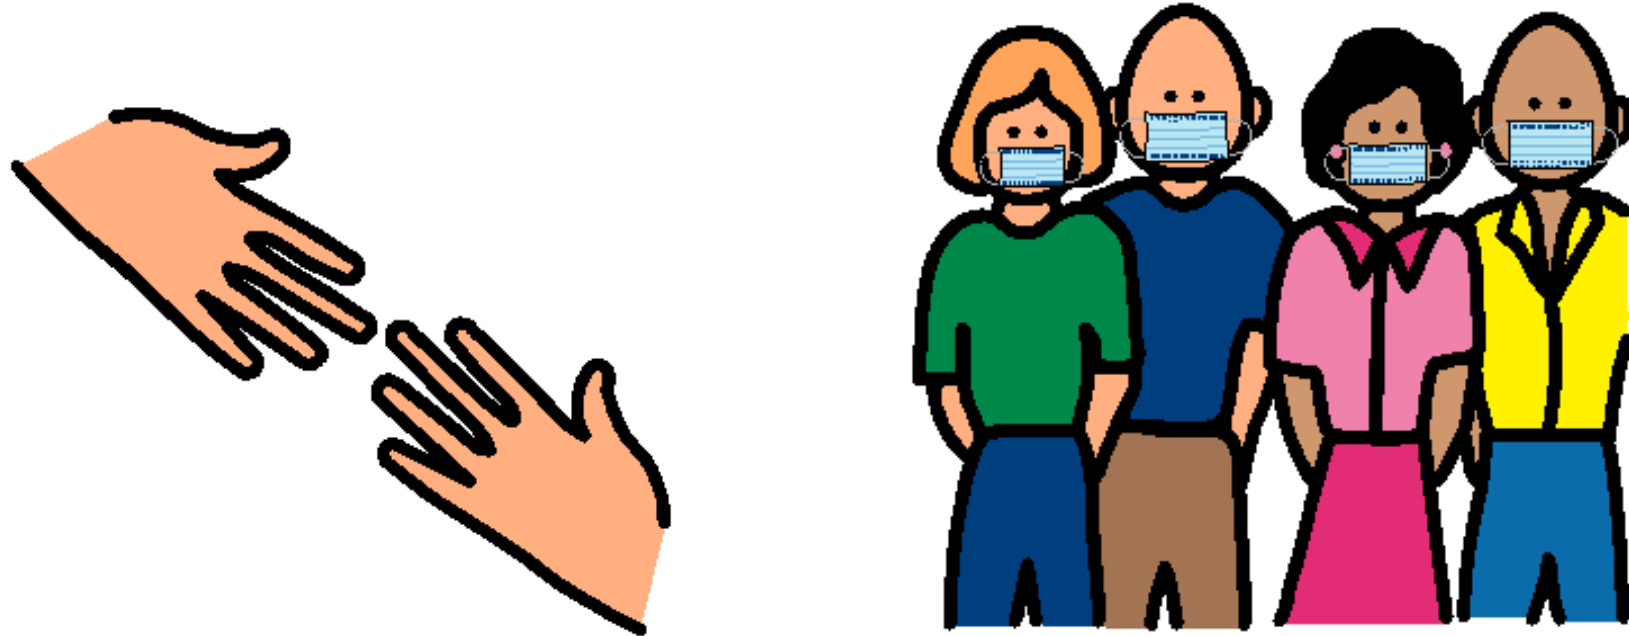

I wash my hands before putting on
my mask.

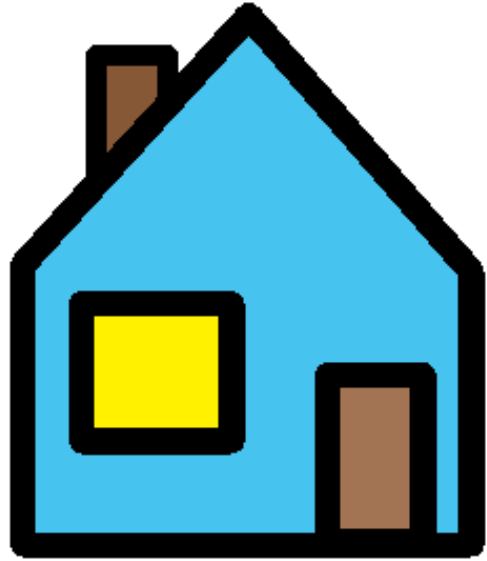

My mask will cover my nose, mouth,
and chin. It needs to fit my face.

My teachers will help me practise wearing my mask.

When I come home and take off my mask, I should wash my hands.

Wearing a mask keeps everyone safe.
