SECONDARY SCHOOLS

Nobody has everything they need, all the time – so how can we make do with what we have? Economics is all about understanding the choices we make to solve this problem. With bright, infographics pictures, this informative book describes why markets are so important, how businesses work out what to sell, and how governments choose how to run a country. Includes Usborne Quicklinks to specially selected websites for more information.

## DO WHAT MATTERS MOST

LEAD WITH A VISION  
MANAGE WITH A PLAN  
PRIORITIZE YOUR TIME

ROB SHALLENBERGER & STEVE SHALLENBERGER

NARRATED BY WAYNE SHEPHERD

Time management remains a huge challenge for most people. This book shares the habits and processes used by top leaders worldwide to minimize distractions and maximize accomplishments.

In researching more than 1,260 managers and executives from more than 108 different organizations, Steve and Rob Shallenberger discovered that 68 percent of them feel like their number one challenge is time management, yet 80 percent don't have a clear process for how to prioritize their time.

Drawing on their forty years of leadership research, this book offers three powerful habits that the top 10 percent of leaders use to Do What Matters Most.
