## Around the Grounds

### 6A

After a challenging first half, the boys came out firing in the 3rd QTR to kick 4 unanswered goals. The backs extinguished any chance of a final quarter comeback through their impressive intercept marking. Overall, it was a well-rounded performance that the team can build from as the season progresses.

### 6B

The lads started off slow for the first quarter, but easily came back in the 2nd quarter. Following the 2nd quarter, the Bs continued to dominate and started to put on a real show. It was good to see the boys go in first for the footy, spread the ball across the field and communicate amongst each other. Nicho Schisas filled in for the Bs today and played exceptionally well alongside his brother Benji. George Player performed very well today, kicking a few goals. Riley Peatey, Liam Adams, and Remi Rowland, Benji and Nicho Schisas were amongst the many goal kickers for the Bs today. Also, a shoutout to Abe Patricks, who had a solid game in defence.

### 5A

Our first game of the season saw us facing a very well-drilled St. Pats team, and the boys were excited to take the ground and get the season underway. The game was very physical from the first ruck and St. Pats showcased their skills and strengths in the first quarter, however we didn't back down and took the challenge head on and matched the physicality of the game. The scores were tied after half time, and it became clear that the result would come down to the wire. This proved true as we fought right until the end, where we unfortunately fell short by one point. The boys should be very proud of their effort, showing true spirit and team work to have each other's back in such a close and aggressive game and we all look forward to getting back to training

### 5B

The boys took to Yeronga for their season opener against St. Pats. After a couple trials and training sessions the boys were keen to get out and play their first game, and they did not disappoint. St. Pats started strong, scoring the first seven points, but from then on, the Marist boys dominated, displaying a very well executed team performance, getting numbers to the contest and using the space of the field. The boys walked away with a 44-14 victory and are determined to get back to training for next week. 3 - Harry Stevens 2 - Beau Ballinger 1 - Joey neighbour

The first time many boys have put on an AFL jersey, and they played as if they were seasoned veterans playing at the MCG! A fantastic display of teamwork, physical defense, camaraderie. What a great way to start AFL this season! A standout moment was only scoring 1 behind the whole game – that is a sign of boys defending the Marist way!
