

Dear Parents,

The Melbourne Archdiocese Catholic Schools (MACS) advertising for a new Principal at Sacred Heart Primary School, Sandringham has begun. The position will be advertised this weekend and again next weekend. This is an exciting chapter in the life of our great school.

The Principal Selection Process panel will work through a MACS specially designed selection process to provide advice for the MACS Regional General Manager as to who is the best applicant to lead our school into the future.

The panel who is discharged with the responsibility for making this appointment is:

- Parish Priest – Father Martin Tanti
- MACS Executive Director's Nominee (EDN)
 - Senior Manager School Leadership - Dan Ryan
- An experienced, current Primary Principal – Colleen McGreal, St Macartan's PS Mornington
- School Advisory Council Representative – Luisa Masocco
- Parents and Friends Representative – Helen Martin

School Advisory members and staff meet with the Senior Manager, School Leadership to provide their insights into the knowledge, skills and expertise of a new principal. It's a highly confidential and thorough process that will see a new principal being appointed to your school for 2026. The Principal Selection Panel will work its way through the various steps of the process.

As we enter this exciting period, I ask that the Holy Spirit guides all the panel's deliberations as we all work together to support and grow our school.
