

2TH Advent

We have been learning about Advent. We learnt that the word Advent means coming. Every year we celebrate this season of the Catholic church by preparing the way for the birth of Jesus. We learnt that the Bible refers to Jesus' birth before it actually happens. It seems that the people of the Holy Land were waiting and preparing for His arrival. We learnt about how special the time was when Mary was pregnant and waiting for Jesus to come.

Isaiah 9:6 - 'For to us a child is born.'

Luke 2:10-11 - 'I bring you good news that will cause great joy.'

During the 2025 Advent Season I am going to prepare for the birth of our Lord. These responses from the children are insightful and considerate.
