### MEMO: STUDENT FARE EVASION

Wisby's Buses have noticed an increase in student fare evasion, which significantly impacts the viability of our services.

**Unless a student has a Student Bus Pass for Free Travel (a "free Greencard"), students must pay a cash fare of \$2.00 for a single trip, or \$16.00 for a sheet of ten tickets.**

We will be monitoring the situation closely over the coming weeks and taking note of fare evaders. Students are required to provide their name if asked by the driver under the *Passenger Code of Conduct for School Bus Services*. Students without a Student Bus Pass for Free Travel who repeatedly fail to purchase or present a ticket will be reported to the Department of State Growth and will be suspended from travel.

**We are able to suspend students from bus travel after three instances of fare evasion in a ten week period.**

To investigate eligibility for a Student Bus Pass for Free Travel, please visit <https://www.service.tas.gov.au/services/education-and-skills/bus-pass-for-school-students/apply-for-or-renew-a-student-bus-pass-for-free-travel>.
