

INFLUENCERS, IDEOLOGY AND IMPACT

how algorithms influence and reinforce harmful beliefs

Lunch and Learn!

Join the eSafety Commissioner's expert education and training team for a **FREE LIVE WEBINAR** for parents and carers

**Wednesday
16 September 2026**

12:30 PM – 1:15 PM

This webinar explores both the benefits and risks of recommender algorithms and offers practical strategies to help parents and carers to support young people build more positive and safer online feeds:

- the role of algorithms and recommender systems in driving engagement and shaping online experiences
- how platforms and online communities keep young people engaged, expose them to harmful content and reinforce gendered stereotypes
- strategies to shape algorithmic feeds and build more positive and safe online experiences
- how eSafety can support people experiencing serious online harm.
