A truly gutsy performance by the boys under extremely tough circumstances. Cormac kicked the ‘Goal of the Year’ as he blazed down the wing and stepped two defenders, before slotting it from the right pocket.

The team played exceptionally well today. Leading for the entire game but unfortunately lost the lead in the last few minutes. Special shout-out goes to Jameson McGahan, his pack marks were brilliant today. William Thomas as always made some great tackles while Cooper Chapman kicked some superb goals today.

6C

A strong defensive display and accurate goal kicking in the second quarter had the boys only trailing by 4 points at half. Although we ran out of gas in the fourth quarter, the boys showed a lot of Marist spirit to stay in the game. The quick ball movement from half-back to the forward line highlighted how much the team had improved since Round 1.

5A

Despite only playing 3 games prior to the last round, the boys showed drastic improvement from Villanova in Round 1 to the last round against Iona. Although they couldn't get the win the boys fought hard all day even finding the lead early in the last quarter. Iona eventually scored two goals in the last but the boys can proud of the way they fought their way back into the game.

What a great end to the season. The boys played out of their skin against a very competitive Iona side. This game was not easy - the boys had to adapt to a new way of tackling and other interesting rules. I truly believe this win came from every single player on the team, but I would like to especially congratulate our very strong core midfield who played a major part in our success. The boys have undoubtedly improved their skills and knowledge of the game across this season which was particularly showcased in this game. Boys, good luck with your other sporting endeavours for 2022. It was a pleasure coaching you and I hope you all had as much fun as I did.

Excellent win to cap off the season. The boys played exceptionally and it was great to see all the hard work from the season come together. The boys were an absolute privilege to coach and their hard work all season has done myself and their school proud.
