

Dates to Diarise in Term 1

- **Victorian Careers and Employment Expo** – 20 to 22 March 2025

Medical Work Experience Overseas for High School Students

Projects Abroad has spent over 30 years helping our participants fulfill their potential and make the world a better place.

Projects Abroad offers a range of [Medical Work Experience](#) programs for high school students, and a number of the destinations are overseas. These overseas medical programs might be of interest to students keen to pursue studies and careers in medicine and healthcare.

These programs are designed for students in Years 10, 11, and 12 and run in the mid-year break and over the summer holiday. They are ideal for individuals or groups of friends. Projects Abroad has been running these programs for over 15 years. They are very popular with students from across Australia, New Zealand, Europe, and North America.

Projects Abroad will be running a *free* webinar for those students interested in the ***Overseas Medical Experience for High School Students***

Date: Tuesday 4 March 2025

Time: 6.30pm (AEST)

Register at [Projects Abroad Medical Work Experience Webinar](#).

Discover Monash Events

Monash University will be hosting several [Discover Monash](#) events or activities over the coming weeks. Unless specified online**, these will be face-to-face events.

Participating in one or more of these events will assist students in making informed choices about their study options after Year 12.

The following events will take place from March until May and students are encouraged to register early. For a complete list, and to register, visit [Events Calendar - Discover Monash](#).

Future Forum - Melbourne

Future Forum is open to ambitious Year 11 and 12 students keen on connecting with like-minded students, educators, and mentors who share the same drive for excellence. Attendees will leave feeling better informed, more confident in their choices, and empowered to take their next steps toward a bright future.

The event is a unique, innovative and memorable dining experience in an exciting venue, pairing each course with the guest speaker and designed to spark interesting conversation.

Students will hear from esteemed Bond alumni, each a leader in their field with a global reputation for visionary thinking and a unique capacity for turning dreams into realities. At the same time, students will be encouraged to share their own ideas and passions for the future by engaging in thought-provoking discussions and networking opportunities with these experts, academics and like-minded students.

The Melbourne forum will take place on **Sunday 30 March 2025**. This is a *free* event, starting at 5.00pm. The complimentary event includes dinner and refreshments and places are limited, so students should register their interest as soon as possible at [Future Forum - Bond University](#).

[Cetacean Sisters - Inspiring Future Female Scientists through Cetacean Science](#)

We would like to share with you a unique science workshop series designed especially for female secondary school students to further their understanding of science and knowledge of cetaceans (whales and dolphins).

Workshop Series Details:

This series comprises five, [two-hour workshops](#) held either in the picturesque Cowes on Phillip Island or in scenic Mount Martha on the Mornington Peninsula. These sessions provide an opportunity for girls interested in science and marine biology to connect with like-minded peers in a positive and collaborative setting.

What to Expect:

Limited to only 20 students, each workshop offers interactive and practical experiences that will deepen students' understanding of the cetaceans found in our local waters. Led by Dr. Sue Mason, a passionate local cetacean scientist and experienced educator, these sessions provide valuable insights into marine science careers, shedding light on the opportunities and realities of working with marine wildlife.

The next series of workshops are scheduled for March and April. Details, including specific dates and the cost, as well as bookings can be made **online via the [Cetacean Sisters page](#)**.

Snapshot of Bond University in 2025

- **A High Rating University**

In the 2025 [Good Universities Guide](#), Bond University was awarded more 5-star ratings in the Educational Experience category with 5 stars being the maximum rating awarded.

The QS star rankings were similar.

★★★★★ Student Support	★★★★★ Teaching Quality
★★★★★ Overall Experience	★★★★★ Learner Engagement
★★★★★ Learning Resources	★★★★★ Skills Development
★★★★★ Student Teacher Ratio	

Bond also ranked #23 in world's best small universities according to the 2024 Times Higher Education (THE) Best Small Universities rankings, which ranks universities with fewer than 5,000 students. [Our rankings | Bond University](#)

- **[Accelerated degrees](#)**

Graduate up to 12 months ahead of the rest by studying three semesters per year and earn an income up to a year ahead of graduates from other universities. Students learn from world-renowned, highly qualified academics and high-level corporate and government consultants who take a hands-on role in guiding students' career paths.

- **[Core Curriculum](#)**

The Core Curriculum, embedded in each undergraduate program, establishes and begins the development of essential graduate attributes, supports students' capacity to acquire the knowledge and skills taught in their discipline-specific coursework, and prepares graduates to translate these capabilities into successful professional and personal lives.

- **[Leadership Development](#)**

Part of Bond University's unique approach is to help students develop a strong foundation of key leadership attributes that will prepare them for career success, regardless of which field of study they choose.

- **[Study facilities](#)**

Bond not only has state-of-the-art facilities, but it also offers unprecedented access to them. This means students can apply their profession as they learn it, in an environment far more akin to the real thing.

- **[Industry Experience Program](#)**

Bond is committed to producing graduates who are "ready to hit the ground running". The Industry Experience Program (IEP) provides a vital link between employers and students that can result in a mutually beneficial partnership.

- **[Beyond Bond](#)**

A practical, activity-based program that extends across the duration of all undergraduate degrees, as a mandatory degree requirement, ensuring all Bond students engage in various extra-curricular activities that complement their academic studies.

- **[Clubs and societies](#)**

Students have access to many sporting and social clubs, fitness centres, cafes, restaurants, and support services on offer, all available on campus.

- **[Bond alumni](#)**

Bond has a global network of 33,000 alumni, which is active in over 120 countries around the world, so students can be connected practically anywhere their ambition may take them.
