7/02/2023

Dear Kai,

On behalf of Canteen Australia, I'd like to thank you for the time, dedication and hard work you and the other students on the Frankston High School Leadership Council put into fundraising \$1,585.50 through your dress down day! Your support has meant that young people around Australia will have somewhere to turn when cancer comes crashing into their world.

Canteen programs support 12-25 year-olds dealing with their own diagnosis, a close family members or the death of a loved one. Our services now extend to parents because when they cope better with cancer and communicate openly, their children are likely to experience less distress and anxiety.

We could not achieve what we do without the efforts and generosity of the community and people like you.

Thank you once again. We wish the leadership council all the best and look forward to you being able to keep Frankston High in the loop of all the amazing things your hard work has helped us to achieve.

Kind regards,

Lauren Fraser
