

Dear families,

We would like to extend our gratitude for your generous financial contributions to our school in 2025. Your support directly enhances your child's educational experience, making Toolamba P.S. a truly special place to learn and grow.

This year, we have made significant investments in resources that benefit our students. Notable purchases include new laptops for our senior grades, app and technology management software, interactive television for our communication team and a Cyber Safety subscription that allows us to implement a weekly Cyber Safety Program across the school. We have invested \$32,880 in these initiatives so far this year.

In 2025, our curriculum focus has been on literacy, particularly reading. We are committed to engaging our students in the reading process through substantial investments in literature and professional development. This includes take-home readers, decodable texts tailored for our neurodiverse learners, fiction and nonfiction books, picture story books and a variety of novels to support the introduction of Book Clubs. Staff have participated in whole school Professional Learning around reading which has been extremely beneficial. A total of \$10,461 was spent to support the reading program professional development and \$2,470 so far on new library books.

So far this year, our students have enjoyed a diverse array of free incursions and excursions organized by our dedicated staff. Highlights so far include Hip Hop, Tree Planting, AFLW incursion, AFL Clinic, the Responsible Pet Program, Cyber Safety Session with Victoria Police, Bravehearts, a special Mother's Day Breakfast, Pyjama Day, Book Week, Pet Parade, Toolamba Athletics, Cross Country, Book Fair and Dental Van.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and resources for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time.

For further information on the Department's Parent Payments Policy please see an overview on page 10.

What this means for you:

- You are required to purchase back-to-school packs for your child/ren from COS, or source yourselves.
 - *(If sourcing yourself, please adhere to book list and its specific requirements)*
- A COS Parent Portal has been created for ease of ordering back to school supplies
- The COS Parent Portal now streamlines Curriculum Contributions and back to school supplies for 2026. When placing your back-to-school supply order, you can now elect to contribute directly to:
 1. Curriculum Consumables
 2. Information Technology Contributions
 3. Building & Grounds maintenance and improvements
 4. Library Fund. A contribution to support book purchases (take home readers, picture story books, fiction and non-fiction texts) and other equipment that sustain the classroom libraries as a valuable resource.

We understand that some families have encountered difficulties when completing the Parent Payment Arrangement. To assist you, we've prepared examples on pages 8 that may help you complete page 9 of the enclosed 2026 Parent Payment Arrangement.

Thank you once again for your continued support and commitment to Toolamba Primary School. Together, we are creating a positive and nurturing environment for our children.

If you have any questions, please do not hesitate to contact the office.

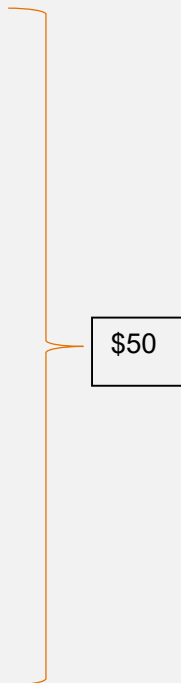

Thank you once again for your support, it is certainly appreciated.

Yours sincerely,

Heather Kennedy

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Financial Support for Families

Toolamba Primary School appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. A range of support options are available to assist eligible parents. These options include:
