

Cheltenham East Team Kids NEWSLETTER

WHAT'S BEEN HAPPENING

Dear families,

As we reflect on another enriching week at our before and after school care program, we're thrilled to share the wonderful activities and events that took place during Week 8.

- **Harmony Week Celebration:** Our children embarked on a creative journey during Harmony Week, expressing their understanding of unity and diversity through vibrant paintings and drawings. It was heart-warming to witness their appreciation for the harmony that exists among our home, the Earth, people, and all living things.
- **International Day of Happiness:** Laughter and joy filled the air as we celebrated the International Day of Happiness with outdoor sports fun. Our children embraced the spirit of happiness, fostering connections and spreading positivity throughout our community.
- **Earth Hour Commitment:** In an effort to contribute to a sustainable future, our children made a commitment to conserve energy during Earth Hour. Through their dedication to saving lights at home, they demonstrated their collective responsibility towards protecting our planet.

With the Easter holidays and the end of Term 1 fast approaching, we have exciting plans in store for our autumn school holiday program! This is a fantastic opportunity for your children to engage in enriching activities and create lasting memories with their peers.

To secure your child's spot in our autumn school holiday program, please reach out to Team Kids on-site or call us at 1300 035 000. Our friendly staff are more than happy to provide you with further information and assist you with the booking process.

Thank you for entrusting us with the care and education of your children. We look forward to welcoming them to our holiday program and continuing to nurture their growth and development.

Warm regards,

Eric

Director of Team Kid Before and After School Care
