# Go the Distance For Refugees

# Challenge

Can you cover 115km in a month – the distance a refugee has travelled to reach safety?

Jesus taught his followers to welcome strangers and to walk in solidarity with the poor and marginalised. This year in the lead up to Brigidine Day, Kilbreda College invites you to participate in the 'Go the distance for refugees' Strava challenge and raise much needed funds for the Brigidine Asylum Seekers Project (BASP).

 **How to take part:**

- Join the Kilbreda College 'Go the distance for refugees challenge' on Strava for your walk, run or bike ride to count to your total.
