

COMMUNICATION AND LEARNING APPS AT DEER PARK WEST PS

COMPASS	SCHOOL WEBSITE	QKR!	SEESAW	MATHLETICS	LITERACY PLANET
 <p>Purpose: Compass is a web based school software which allows us to manage school operations efficiently and communicate with our school community.</p>	 <p>Purpose: Our school website is often the first contact that people have with the school. It gives us an opportunity to showcase the wonderful learning opportunities provided by our school. It is also a way to keep our school community up to date with what is happening at Deer Park West PS.</p>	 <p>Purpose: the Qkr! App allows you to order and pay for lunch orders from the school canteen online.</p>	 <p>Purpose: Seesaw is an online resource that allows students "show what they know" using photos, videos, drawings, text, PDFs, and links. The students learning is kept as a digital portfolio and is shared with families, and nothing is shared without teacher approval.</p>	 <p>Purpose: Mathletics is an online, interactive, e-learning resource that allows the students to practice skills at their own level and their own pace. Mathletics challenges students in all areas of math through a 'game environment' and allows them to access the appropriate level of challenge that best meets their learning needs.</p>	 <p>Purpose: Literacy Planet is an online, interactive, e-learning resource that allows the students to practice skills at their own level and their own pace. Literacy Planet challenges students in all areas of English through an environment that allows them to select the level of difficulty of the tasks.</p>
