

STUDENTS DRIVING CARS TO SCHOOL

POLICIES AND PROCEDURES

With increasing numbers of students driving to school, the School Council has established a policy on students driving in order to ensure that proper procedures are in place to provide a safe school environment, and to maximise student welfare and safety.

Any student of legal driving age who intends to drive to school, either on a regular basis or occasionally, must comply with the school requirements and is required to complete the Parent Permission and Student Agreement Form.

The school is not responsible for any loss or damage that may occur to students' vehicles.

School Requirements:

1. Students are only to use their car for travelling to and from school. Students are not permitted under any circumstances to go to their car or to drive away from the school grounds during the day.

Students are not permitted under any circumstances to transport other students in private cars in connection with any school program or function, whether held during normal school hours or at other times.

2. Car make and registration details must be recorded with the school.
3. The school does not have space available for student parking. Consequently no student is permitted to park their car within the school grounds.
4. Students are not permitted to carry other passengers to and from school without written permission of their parent/guardian and the passenger's parent/guardian. The school has a policy that, unless there are exceptional circumstances, only one passenger is permitted to travel with the driver.
5. Students are required to notify the school of any passengers who may be travelling to and from school with them.
6. Students are required to adhere to all road rules and drive in a safe and responsible manner.
7. Student drivers, a parent/guardian and, if relevant, the parent/guardian of any passenger, must sign the *Parent Permission and Student Agreement Form*. Student drivers must also attach a copy of their driver's licence to the form.

Students who fail to meet these obligations will be required to meet with the Principal/Assistant Principal and the privilege of driving to school may be revoked.

Any unsafe driving behaviour or breaches of road rules will be reported to the police.
