# LET'S GET WASTE

Recycling in Glen Eira

---

Confused about what goes in your recycling bin? Not too sure what you can put in the soft plastics recycling that you take to the supermarket? Well, we've decided to get some answers!

We'll have a representative from the council speaking on the yellow bin recycling and giving us a run down on the do's and don't's for these bins. We'll also have a representative from Redcycle, the company that manages our soft plastics recycling, to speak on what that's all about and how we can best utilise this service. Finally, we'll have a little presentation on how you can recycle other things around our area, like light globes and electronic goods, etc.

We've only got an hour, so you can submit your questions in advance or just come along and have a listen.

Join us via zoom:
