

1st XI:

Going to away Peters on equal points, we knew it was going to be a tough task to take all three points. We were prepared for a battle and knew that whoever wanted it the most would win. A tight first half saw us in a stalemate at 0-0. The talk from Mr King was that if we were able to keep a clean sheet, we would take all the points out of this match. An early goal from Riley Keen in the second half gave us the advantage and momentum we needed to push forward and play our football. Although, the game wasn't full of chances, it was played at a high intensity from end-to-end. At the end of normal time a freekick from Sam Keogan doubled our advantage and relieved many stressed supporters. We were able to hold on to the clean sheet and finish the game 2-0 thanks to some courageous defending and a powerful mindset to win. We go into the final round in 2nd position of the ladder with aspirations of taking all three points against Pats to finish the season as high as we can.

2nd XI:

Very tight game with few scoring opportunities for either side. St Peter's scored with 15 min to go and although we pressured hard, we couldn't find the equaliser.

4th XI:

Intense game to watch with the Marist boys having a personal battle with the woodwork. They came together in the second half to come away with a 1-1 draw.

6th XI:

We had a basic 11 and 2 subs who came from the 5ths game. After pre game warmup, coach Serone commented to the boys they appeared 'flat'. A few of them had already played 5ths and had a full game. Team response was: we're all good Sir, ready to go. Half time score 3 – 0 Villanova. Coach Serone has confirmed he possesses a 6th sense. After a half time spray to hustle more and get more excited about playing with your mates (like Villanova), Super 6ths were very competitive and had a few chances to draw the game.

10B:

MVP in defence Liam Webb who saved us many times in the first half and Alex Pitman continually gave us scoring chances in the second half.

9A:

9A's started the game with high intensity and the tempo was played on our terms early. Our midfielders provided options all game and our back four were solid in defence. Tristan Jeffrey saw plenty of the ball down his wing and provided plenty of opportunities. Will McGauley jumped on an opportunity at the back post and Patrick Elia put a penalty in the back of the net in the second half. A good 2-0 win.

7A:

7A's rose to the challenge of this top of the table clash. As was needed to get the result, they played their best football of the season and looked very much a champion team, not just a team of champions. In fact, this result means the worst possible outcome of the season is co-premiers - next week we play to avoid sharing the silverware!
