Become a Swimming Teacher Today:

Sponsored Training Opportunities

It takes a special someone to be a swimming teacher - a passion for teaching, the skill to make learning fun AND the essential ingredient; the ability to connect with swimmers.

Contact the **State Swim** team today if you're 16 and over and think this is you.

And, if you are yet to qualify as a teacher, there has never been a better time as State Swim will sponsor* your teacher training. We have 10 swim schools in WA so there's bound to be a school near you.

Sponsored Training*

Following the completion of three months of employment, State Swim will reimburse the costs associated with Active Training, WWC & CPR qualifications. For a limited number of School age applicants the Active Training course costs may be waived upfront*

Your accredited water safety qualification

Swim teacher courses can be completed with various providers, including [AUSTSWIM](#), [ASCTA](#), [Royal Life Saving](#) and [Active Training \(Perth\)](#).

Your Working with Children Check (WWC)

A WWC is a compulsory criminal check required to work with children. Checks are typically valid for three years and can be applied for at an Australia Post Outlet.

Your CPR certification

A current CPR certification will be required to receive your water safety qualification, this course can be completed through a range of providers including, [St John](#).

*Terms and conditions apply. Sponsorships are approved as part of State Swim's recruitment process and places are limited.
