# Fulton Hogan

Fulton Hogan delivers high-quality infrastructure to improve the lives of people in Australia and New Zealand, every day.

Our team of over 9,000 works in every kind of weather, creating, connecting, and caring for communities.

After 90 years in business, we believe resilient infrastructure will help tackle the challenges of a changing world, and we will continue to invest and innovate to play our part.

We are driven by fresh ideas and opportunities. We aim to do more and do better – for our people, our communities and the countries that we work in.

## *a day* In Her Boots

Fulton Hogan is committed to encouraging the participation of women in the infrastructure industry at all levels, both in our offices and on our projects.

Infrastructure is one of the fastest-growing industries in Australia, and with a huge pipeline of projects ahead of us in Victoria, there has never been a better time for women to consider a career in this industry.

To provide an overview of what a career in infrastructure could look like for female students and career counsellors, we will be hosting a one day interactive program called '*a day* In Her Boots'.

A similar program has successfully run for a number of years by Fulton Hogan in New Zealand ([see here](#)), and this year we are bringing it to Melbourne!

The program is aimed at Year 10 female students, to create awareness about the infrastructure industry, and provide them with an overview of both blue and white collar roles in an interactive environment that showcases the wide variety of careers and career pathways.

Do you have students that you believe would benefit from learning more about a career in infrastructure?

We would love to have you involved in the inaugural launch of '*a day* In Her Boots' in Melbourne.

# Event Overview

**Location:** Fulton Hogan Noble Park, 500 Princes Hwy, Noble Park North VIC 3174

**Date:** 29 May 2023

**Time:** 9.30am – 2.45pm

**Activities:** Students will meet at Fulton Hogan in Noble Park and will then participate in three engaging activity rotations.

Including:

- Visit a local Fulton Hogan Asphalt Plant (transport provided)
- Virtual tour of a level crossing removal site and panel event
- Plant demonstration to learn more about machinery and operator roles.

The event will include representation from education providers (TAFE and Universities) and multiple guest speakers from across business functions (construction, infrastructure services and utilities) to provide students with an awareness of the various roles available and the vocational and university pathways.

# What's Provided?

- Safety vests and any specifically required PPE
- Lunch
- Transport between activities
- A fun and interactive day to provide an insight into the infrastructure industry and what careers are available.

# School Requirements

- Select Year 10 female students to attend 'a day In Her Boots'
- Transportation of students to Noble Park location for a 9.30am start
- Communication to all students and staff that they must wear long pants, long sleeves and closed toe shoes
- Assist with ensuring photography consent forms are signed.

This is an inclusive event, we welcome all women, female identifying and non-binary people.
