

HEALESVILLE SANCTUARY

Johanna

"Bring, Bring!" the sound of my alarm clock rang through my head as I got up and out of my bed. It was 7:00am on the 24th of the 7th. I scrambled out of my room, putting on my jumper as I tripped and falled. It was my school excursion to hillsfield Saturday! me and my Mum bolted to the car. I was not going to be late. When we got to school, I kissed my mum goodbye and shuffled into my classroom. After my teacher, Mrs Lawrence had called the roll, me and my classmates bolted to the school bus. After about one hour, we arrived. We had a quick snack and then hurried to see all the animals. First we saw the koalas and they were chomping down on some leaves or at least one of them was. After some non stop walking, we entered the spirits of the sky bird show. My favourite bird was the Raptor falcon, mainly because it was really clever and smart. After the bird show we had some lunch and saw some other animals like the Wombat, Wallabys and echidnas. It was all really fun and I hope to go back there again.
