

SPORT REPORT TERM 2 Week 1 2019

Team	Coach	Opposition	Result	Comment
Football – Round 4				
A-Grade	Mr McGovern	Patrician Brothers Fairfield	Won 2-1	<p>Up against last year's premiers we knew we had to bring our A game against Fairfield. We started strong with Matt Pace, Adrian and Owen all winning ball in the midfield. Harry Gelder was in the thick of the action down the left and created the best chances of the half. Unfortunately, the last pass was either held up in the long grass or just didn't find Ryan or Jarrod to get away any clear chances. Fairfield did manage to wrestle some possession and came at us on the fast break but our defense was up to the task. Cameron and Christian shut down anything down the flanks and Nathan and Jack closing down their striker. With neither score at half time you see the opposition getting frustrated but we kept our heads and persevered. Flynn Haberley and Jye Bell both had their first runs for first grade and were both kept busy in the second half with Fairfield growing in confidence as the half progressed. Dom Zappia made some excellent saves in goals and denied Fairfield time and again. Captain Jack really put his body on the line blocking several shots, ensuring we didn't go behind. We found the break through after a quick free kick from Jai Bell found Ryan who cut back onto his right foot and put into the bottom right hand corner to open the scoring. Soon after Adrian takes possession down the left, beats his man, sent in the cross and Jared Taylor at the back post to put in our second. Feeling a pump with minutes time is running out Fairfield surged with numbers into the box and we just couldn't get to the ball quick enough and conceded a goal, but referee blew full time shortly after and we gladly claimed the 3 points. Great game everyone. A well deserved as we never give up week after week, I'm so proud of your effort and attitude and super excited with the result today. Greystanes next week at home!!!</p> <p>MVP: Matthew Pace (Laurentian)</p>
B-Grade	Mr Clarke		Lost 2-1	<p>The match against Fairfield today saw the return of 2018 B grade player Zak Zafosnik, on loan from 3rd grade rugby league. The match started at a frantic pace and it was only in the 6th minute that the first goal of the match was scored. Luke Dean through a rocket throw in to Harry Kobeck, who despite being fouled, was able knock a firm, low ball into the box for Brody Lound to nicely side-foot into the net. The game settled somewhat but we still managed to create some chances. Manassea Samuriwo was solid and calm on the ball despite being fouled numerous times. David De Vecchis and Lachlan Kennedy were rock solid in defense. Half time 1-0 up. The second half was quite the battle and our boys continued to work on and off the ball. Unfortunately, we conceded a goal although Ben Cariotti managed to get a full hand on the ball, however from close range it proved too difficult to push over the bar. Mr MacMaster predicted a top right corner free kick from Luke Dean, who delivered from 25m out only to be denied by the keeper getting a last minute touch to push it over the crossbar. In the dying minutes our defence was effective in keeping out many attempts until the final effort was curled inside the far post in the final</p>

				<i>minute. It was both disappointing and pleasing to see the disappointment in the face and bodies of the squad today. Disappointing as they are a great bunch of young men and gave all they could, but somehow pleasing because it showed how much representing their college and getting a result means to them. Let's take it to Greystanes next week! Final score, St Greg's 1 - 2 Fairfield MVP: Ji Mills (Donovan)</i>
Year 10	Mr Suters		Lost 3-0	<i>Another disappointing game for the year 10 team, going down 3-0 to Fairfield. Once again we were the better team playing Fairfield off the park for the majority of the match creating an abundance of chances in which we could not finish. On the other hand, Fairfield were clinical with their limited amount of chances which let them come away with the win. MVP: Jordan Leigh-Estephan (Molloy)</i>
Year 9	Mr Ivancic		Won 2-1	<i>Hard fought match where either side could have won. This was the first time in 2 years that the boys came back from being behind. Some fantastic keeping by Andrew and excellent attacking by Oscar, Hayden and Bailey. Well done boys! MVP: Andrew Parkin</i>
Year 8 A	Mrs Dennis Ward		Won 2-0	<i>With a rough (literal) start to the game, Greg's stayed composed with some calls not going their way or calls not happening at all. With a great first goal in the first half from Cooper Mangan who put it into the back of the net with his head. After half time, Greg's stayed composed with a yellow card going to Fairfield after one of their players took out Thomas Gee when he was about to kick. Then when Lachlan Good was put back on in the second half, he made an excellent goal only 30 seconds after being back on the field. Tough game, with Greg's keeping their cool. MVP: Lachlan Dady (Laurentian)</i>
Year 8 B	Mrs Sawyer		Won 8-0	<i>The team started a bit flat today with possession in our half for the first 5 minutes. They then started working together and had 5 goals by half time. Again, this week we had only one sub so the boys were tired by the end. Not our best game but it will be good towards our for and against. MVP: Xander Benad (Donovan)</i>
Year 7 A	Mr O'Brien		Won 8-0	<i>After receiving an award winning pep talk from the famous Mr Cook, the boys headed into the game with high spirits and dedication which was evident in the results alone. They played the game with precision and skill and every goal that was scored by the team was done using fantastic team work. Each boy worked his heart out to following the great strategies that have been designed for them by Mr O'Brien at the weekly training and pre game warm up. Additionally, even though the boys were in a comfortable win, they didn't let that get to their heads as they continued through the game, as they never let their team spirit and dedication to the game slip at any point. Overall, it was a great game played by the year 7 a team MVP: Isaac Gasson (Malloy)</i>
Year 7 B	Mr Wilson		Won 9-1	<i>An outstanding game by all the boys in what a display of fantastic individual efforts and teamwork. Great contributions by Luke Cutajar and Zach Emerton created many goal scoring opportunities for the</i>

				<p>teams strikers. Excellent combinations across the park was the main reason the boys were able to score so many goals. Goal scorers today: Jayden McGettigan 4, Zach Emerton 2, Dom Neville, Brayden Murray and Braith Taylor 1 each.</p> <p>MVP: Jayden McGettigan (Molloy)</p>
Rugby League – Round 3				
1 st XI	Mr M. Bullock			Bye Round
2 nd XI	Mr Albery	Eastwood	Won 38-4	<p>A solid 38-4 win. 24 to nil at half time. Dropped intensity in 2nd half when game was beyond doubt.</p> <p>MVP: Nicholas Alcorn (Molloy)</p>
3 rd XI	Mr Cave			Bye Round
4 th XI	Mr Dinnen	Blacktown	Lost 30-0	<p>Despite last minute positional changes, the match started well for fourth grade, as we kicked off and regathered the ball. We were unable to score from this opportunity and Patrician Brothers College Blacktown played simple football to make good field position. In attack didn't run onto the ball, struggling to make good metres. Blacktown scored two easy tries when we were caught short out wide. Ryan Salvestro had a solid game at fullback making good metres when he ran the ball. Lachlan McGufficke and William Chanter directed play from the halves and created opportunity for Tom Cusack and Max Lawson to run the ball out wide. Unfortunately, there wasn't enough ball movement out wide and our play became predictable. We had opportunities to score points, however pushing passes early in the tackle count and poor ball security proved costly. Daniel Trembath and Brodie Semmler had very good defensive games, making strong tackles and wrapping up the ball. Cristian Almerico, Daniel Kort and Dylan Ferbrache ran the ball hard. We were 8-0 down at half time, and still in the game, however two soft tries early in the second half shook our confidence and the side didn't recover. The final score was a 30-0 loss. The team is capable of much better, we need to play to our strengths, attacking play on the fringes. Next weeks match against third grade at St Greg's will be a lively encounter.</p> <p>MVP: Ryan Salvestro (Malloy)</p>
U15	Mr McGinnity	Schofields	Won 22-10	<p>A strong performance from the 15's Rugby League side in their first match back from the Easter holidays. The boys were aggressive right across the park and played a very direct running game against St John Paul II from Schofields. Jack Rule guided the team around the park very well at halfback while Tom Fletcher and Lachlan McInerney worked the house down in the back row, both rewarded with four pointers throughout the match.</p>
		Eastwood:	Won 28-0	<p>Second Match Result: St Greg's 28 - Eastwood 0. SGC scored first in both matches. A dominant display by St Greg's in the second match of the the day. Tries to Raiden Crowe, Dominic Citroni, Ethan Cruickshank and a double to James McMullen. However, most pleasingly the defensive effort of the team was outstanding holding the opposition scoreless throughout the match.</p>

				<i>MVP: James McMullen (Dononvan)</i>
<i>U14 A</i>	<i>Mr Dixon</i>	<i>Liverpool</i>	<i>Won 26-0</i>	<i>The 14As Rugby league team had a strong victory over an under strength Liverpool team. Our defence was the highlight of the match with the team able to defend five straight sets on our own try line. The boys played the match with great sportsmanship and teamwork. MVP: Harrison Quinn (Molloy)</i>
<i>U14 B</i>	<i>Mr Beneditti</i>	<i>Schofields</i> <i>Blacktown II</i>	<i>Won 28-12</i> <i>Lost 26-0</i>	<i>We got off to a really good start scoring three quick unanswered tries within the first three minutes. Jake Meredith scoring a length of the field try in the first play of the game. After this, the game evened out and we seemed to sit on our laurels. We ran out comfortable 28 - 12 winners in the end. MVP: Jake Meredith (Molloy)</i>
<i>U13 A</i>	<i>Mr Dooner</i>	<i>Eastwood</i> <i>Schofields</i>	<i>Won 32-0</i> <i>Won 20-0</i>	<i>Great results in both matches getting 2 from 2 wins against both Eastwood and Schofields which will get us prepared as we take on Blacktown 1 and Fairfield 1. MVP: Sonny Edwards – For his great efforts in attack with his support plays backing everyone up and getting a try for his efforts MVP: Carlos Adina – He knows how to bust a tackle wide open and our tries came from his solid running game.</i>
<i>U13 B</i>	<i>Mr McMurdo</i>	<i>Blacktown</i>	<i>Lost 24-6</i>	<i>A committed effort by the team that did themselves proud. It was our first loss after 3 rounds and the first time Blacktown has had points stored against them. Blacktown had a couple of large forwards and smaller backrowers who ran good lines with plenty of intensity. This opened holes in the middle of our ruck especially when a ball was unloaded to create a second phase of play. Their larger forwards were challenging to stop close to the line and held up on a couple of occasions which demonstrated the intensity and urgency to get bodies in motion around the ball. Mid way through the second half Cooper Clarke was able to snag an intercept, outpace the surrounding backs and cross the line. His conversion put us within 10 points with 15 minutes remaining. The body language of the boys looked good and the stage was set for a game that could still be won. A well placed kick by Blacktown that split our winger and fullback bounced awkwardly and was poorly cleaned up. Blacktown capitalised on the field position and scored a cheap try which put a the game out of reach. Congratulations to Blacktown for a well-deserved victory. Our boys put in a good showing, we now know the benchmark of the competition and have areas to work on in training. MVP: Cooper Clarke (Donovan)</i>

The College House Cup is well under way with all sport and co-curricular activities contributing to each House's success. After Kilian dominated the Swimming carnival, Malloy hit back by claiming the Cross Country. Public Speaking and Agricultural events have contributed heavily as to has the Sport Person of the Week. With Champagnat Day and the College Athletics Carnival taking place this term, the last of the major points are up for grabs.

College Winter Sport

All parents should have received a new MCS and College Sports "Permission Note" for the upcoming Winter Season. The new note will be seeking permission to attend all MCS Sport venues and all offsite recreational sport sites. Costing and the addresses of these venues is also provided so you as a parent/carer, know where your child will be and how much the activity will cost you each week.

Please read the documents and return all permission notes to your child's supervising teacher as soon as possible.

I ask you to not write hand written permission notes, as these will not be accepted.

Phone calls giving permission will not be accepted.

Emails will not be accepted.

Permission handwritten notes from previous sports/activities will not be accepted.

Please download or pick up the Permission Note from the Student Services Counter.

I thank you for your support in this matter as we bring the College up to a suitable standard regarding Duty of Care and permission to leave the College.

Bill Turner Cup

Round two of the Bill Turner Cup saw the boys play against last year's regional finalists John Therry Catholic High School. In very conditions and playing against a much bigger and older opponents the challenge was there for the boys to accept. The team started off a bit passive allowing John Therry to have the fifty-fifty balls. We played well in our defensive structure, we just gave them too much respect. Much of the first half was played in our defensive end and we soon collapsed under the pressure by allowing an easy goal.

The boys needed the halftime break, as a controlled "rocket" was launched. The boys received the message, to play a bigger and faster style of football and they delivered. The first 20 minutes of the half was brilliant. Smothering the opposition all over the park and we soon capitalised with Tommy Mandarano scoring a bomb from 25m out. The boys were flat from their efforts and withstood our opponents final attacking plays to remain locked at 1-1.

We headed into golden goal extra time with drop off. We started the extra time period with 10 men and would lose a player every 5 minutes. This was brutal on our boys and they are to be complimented on their efforts throughout this time period. After a few attacking sets, both teams were welcoming the final whistle. With 7 players left on the park, we headed to penalty shoot-out.

The boys were a bit anxious moving to the penalties, and it showed with some of our more experienced players failing to hit the mark. Well done to Tom Gee and Bailey Wheeler for connecting on their shots and to our goalkeeper Andrew Parkin for making some awesome saves throughout the match and saving the first two penalties of this period.

But it was not to be, with our final shot missing its mark and the game was handed to the John Therry team.

All students are to be congratulated on their participation in representing the team.

A solid effort in a very tough competition.

Well done to the following students:

Andrew Parkin, John Dimech O'Connell, Lucas Rapatonni, Jacob Ryder, Hayden Garriock, Tommy Mandarano, Tom Gee, Bailey Wheeler, Hamish Wagg, Oscar Coltman, Cooper Mangan, Bailey Sharp, Blake Sharp, Cooper West, Liam Croker, Cameron Ryder, Harry Elson, Isaac Gasson and Cooper Ross. Special thanks to Declan Price and Jodi Weisz for their efforts.

A great way to start the College's involvement in this competition. Great effort boys. Mr O'Brien and myself were very impressed with all your efforts thus far.

Representative Sporting Pathways

Still very early on in the term for pathway representatives but I have managed to collect more information on our College representatives at the recent NSW CCC Swimming championships. Some very good individual achievements by our College students who will all swim at the NSW All Schools Swimming Championships in the next few weeks.

NSW All Schools Triathlon

Cody Salter returned to school this week after a brutal triathlon on the Sunshine Coast. Competing in the Year 11/12 Division, Cody competed against students as old as 19 years of age. Cody battled through the swim leg, which at the very least was a blender of arms, legs and torsos. After a gruelling race Cody crossed the line in 17th place. A very good result in such a competitive event.

Upcoming Events

<i>NSW CCC Rugby Union trials</i>	<i>6th/7th May Eastwood</i>
