

**NOW OPEN**

## 2020 Korean Study Tour expressions of interest.

Every two years, we take a lucky group of Senior School students on a trip of a lifetime to visit South Korea. Students travel to Busan before heading to Yeosu to homestay with students from our sister school, Ungcheon Elementary.

If you are considering sending your child on this amazing experience, or would like some more information, please complete the form (through the QR code below) or email Kali Fraser at; [fraser.kali@croydonhills.vic.edu.au](mailto:fraser.kali@croydonhills.vic.edu.au).

Please note, this is not a commitment to participate, but an expression of interest. There will be a parent information evening in Term 1 next year to provide more details before asking for commitment to participate.
