

THANK YOU FROM CANDELA PERU

Thank you so much for your generous support of the Sisters of Mercy mission in Candela Peru. Over \$3155 was raised from the sale of the beautiful handicrafts. What a wonderful result!

This money has been sent to the mothers so they can continue to provide food, clothing, medicine and education for their children.

During this time of COVID the poor and vulnerable living in places such as Candela find life a difficult challenge. The pandemic has caused increased pressure on the below standard health system and the government does not support those who are the most at risk from catching the virus. Your support is most appreciated.

A soup kitchen has been set up to provide meals for those in need.
