

# MOBILE PHONE POLICY

## POLICY

RPS understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

## PURPOSE

To explain to our school community the Department's and RPS policy requirements and expectations relating to students using mobile phones and other personal mobile devices (for example smart watches) during school hours.

## IMPLEMENTATION

This policy applies to:

1. All students at RPS and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

## DEFINITIONS

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

At RPS:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Students who wear smart watches must have all functionalities (other than telling the time) disabled whilst at school, including at recess and lunchtime.
- If the extra functionalities of a smart watch cannot be disabled, it must be switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

## Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at RPS during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

### Secure storage

Mobile phones owned by students at RPS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that RPS does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the RPS' Personal Property Policy.

Where students bring a mobile phone to school, RPS will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At RPS students are required to store their phones by handing the named device into the school administration office to be placed in a secure cabinet.

### Enforcement

Students who use their personal mobile phones inappropriately at RPS may be issued with consequences consistent with our school's existing Student Engagement and Inclusion policy.

At RPS inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments.

### Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
  - Health and wellbeing-related exceptions; and
  - Exceptions related to managing risk when students are offsite.
- can be granted by the principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones Policy](#).
