### **Netball Carnival General Information**

1. The Carnival will start promptly at 9.30am. Teams are asked to arrive half an hour before their first game and report to the recording table. Late arrivals must forfeit the game if they are more than 5 minutes late. No matches will be rescheduled.
2. The carnival will be run according to [NSWPSSA Netball Guidelines](#) and [School Sport Safety Guidelines](#).
3. It will be split into the following divisions: Opens, 10 years and under.
4. Each team must provide one umpire per game (i.e. umpire your own team). Umpires will be provided for finals.
5. Teams must supply their own ball and bibs.
6. Games are 8 minute halves; 1 minute half time; 3 minutes change over between games;  
Finals will be 2 X 10-minute halves with a 2 minute half time
7. Please read the draw carefully as some teams may need to play two consecutive games. Point Score: 3 = Win, 1 = Draw, 0 = Loss
8. Score sheets will be placed on a board in the centre of the court for all games played on that court. Each team is asked to provide an adult scorer. Scorers are to sit together and score half the game each. If teams do this we can avoid disputes arising. If a problem occurs disputes must be lodged in writing by the designated team manager within 10 minutes of the conclusion of the game. Scorecards should be sent to the administration tent immediately after each game. This is the responsibility of the winning team.
9. If teams are on equal team points at the end of the round robin, the team with the most goals scored will progress to the final. (NO playoffs)
10. If a division has three pools the semi-finalists will be decided in the following way: Winner of each pool plus the team with the highest differential between goals scored for and against. If there is a draw in the semi-final, there will be 5 minutes extra time. If there is no result the team who scores the next goal will be declared the winner. In the finals if the score is even at full time "Joint Premiers" will be declared. Winners will receive a trophy.
11. The blood rule will apply. There is no injury time.
