Dear Parent and Guardians,

RE: NEW CALEDONIA TRIP 2018

As part of the French studies program, students may participate in a cultural awareness and language immersion trip to New Caledonia in September 2018. THIS IS A VOLUNTARY LEARNING OPPORTUNITY.

The trip is open to students from Years 8-12 who are studying French in 2018. At the Information Night, approximate costing, itinerary and key details were presented. The trip is held during the first week of September term break and does not impact on any school time. The itinerary is a combination of cultural, language, science and outdoor education disciplines.

This will be the School's sixth time taking students to Nouméa and each previous trip has been very popular and successful with the students who have been able to come. We need to have a minimum of 14 students signed up, each paying a \$300 deposit fee, for the trip to go ahead. The maximum group number is twenty.

The details for this trip are as follows and may be subject to change:-

Departure: 22nd September, 2018

Return: 29th September, 2018

Length of program: 8 days

Program cost: Approximately \$2500

(including accommodation, day trips, French lessons, flights and most meals)

Additional expenses: Passport, own spending money for souvenirs, lunches and bus fares.

(Visas are not required for Australian and New Zealand passport holders)

Costs are subject to currency fluctuations, airline increases and seasonality changes for 2018.

Further information will be forwarded to families closer to the time of the trip.

Kind regards,

Joy McGrath
French Teacher
