All students attending Good News Lutheran College are covered by a Student Personal Accident Cover (Gold Plus level) insurance policy.

What is Covered?

Students are covered 24 hours per day, 7 days per week, 52 weeks per year but only in respect to any injuries that happen:

- While the student is engaged in school activities and school-related extra-curricular activities (including work experience, vocational training, excursions etc)
- While the student is engaged in organised school sporting activities
- While the student is engaged in organised non-school sporting activities with a club that is a member of an established sporting association. The student must be a registered and/or a financial participant of the club

Please note

Although student activities are covered worldwide, the Non-Medicare Medical Expenses are only covered for expenses incurred within Australia which are not subject to a Medicare rebate or recoverable from another source. However, the Travel policy would cover Overseas Medical Expenses for student on organised overseas school trips.

What is the Cost?
