PURPOSE

To explain to our school community the Department's and Kyabram P-12 College's policy requirements and expectations relating to students using mobile phones and other personal mobile devices (e.g., smartwatches, etc.) during school hours.

SCOPE

This policy applies to:

1. All students at Kyabram P-12 College and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Kyabram P-12 College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

Our policy is designed to help students improve their concentration in class, build stronger relationships with their peers and ultimately improve their mental health. Consistent with this policy, we strongly discourage students from bringing their phones to school.

At Kyabram P-12 College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in their locker (secured with a school-provided combination lock) during the school day, 8.50 am – 3:15 pm.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Kyabram P-12 College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Kyabram P-12 College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note, Kyabram P-12 College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Kyabram P-12 College's Personal Property Policy AND/OR the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Kyabram P-12 College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Kyabram P-12 College, students are required to store their phones in their lockers.

Enforcement

Students who use their personal mobile phones inappropriately at Kyabram P-12 College will be issued with consequences consistent with our school's existing student engagement policies. At Kyabram P-12 College, inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

Mobile telephones may be confiscated by staff if seen in use by students during class, recess, lunch or study times or at sanctioned school events. If first offence, the mobile phone will be confiscated and held at the General Office until the end of the day, at which time, the student may collect it and will be reminded by a principal class officer of the school expectations. For second offences, the mobile phone will be confiscated and held at the General Office until a parent/ carer can collect it.
