

# Careers Corner Weekly

WESTERN AUSTRALIA, 2024

MONDAY 19 AUGUST #27

## **UWA Bachelor of Engineering (Honours)**

In The University of Western Australia's 4-year Bachelor of Engineering (Honours) degree, you will work on real-world challenges to develop ideas and design solutions. The degree prepares you with 450 hours of work-integrated learning, professional skills development, and co-curricular activities to equip you with the skills to succeed in your future career.

## **Construction Safer Manual Handling Posters**

August is Tradies National Health Month and WorkSafe Victoria is here to support with free tools and resources. If you're headed for a career in construction, check out these posters for tips on how to lift, carry or put down objects in the right way to avoid injury. There are specific posters for bricklayers, carpenters, concreters, electricians, painters, plumbers, roofers, scaffolders, and steel fixers.

## **Little Stories Big Ideas**

Australia's biggest and best writing competition for secondary school students is free to enter - In 100 words or less (not including title), write your story incorporating the theme 'Approval', then fill out the online form and you're in! You can enter as many times as you like. You can even enter anonymously. Term 3 is now open and closes 20th September.
