

# Where are they now .....

## Kirsty Markham

Finished at Moonie School in 2016

Kirsty completed a Certificate III in office administration while at school and used this to work for Mort and Co as soon as school finished last year.

She then moved to Highfields in April this year to work with horses and give riding lessons.

Unfortunately, injury saw her come home recently, so she is now looking at her options - possibly Uni in 2024.
