SUPPLEMENTARY SECTION

Dear Parents and Guardians,

Yesterday we were informed that all schools in Victoria (contrary to the Courier article) will remain in remote learning until the end of the term. At this stage we do not know if we will be returning in Term 4 or when we will be returning back to school. We will inform you as soon as we know.

The result of this news means some alterations to the way we schedule staff teams over the next week as we are having some of our teams planning on each of the days next week for the Term 4 program. This will mean the following:

1. The day your child's teacher is planning there will be no Literacy and Numeracy tasks posted.
2. This day will be considered a **specialist day** and a focus on some of the **specialists tasks** is the expectation for the day.

WEEK 9 – Schedule for specialists day

It will be a good opportunity to promote our specialist subjects. The activities for specialists will be set for this day and no Literacy and Numeracy tasks will be sent. We also have our Virtual Assembly organised for 2.30pm on Wednesday.

On behalf of the school keep up the great work.

WEEK 10

Our PLC leaders will be involved in a Department initiative on Thursday 16th September and have HISTORY unit to plan on Friday 17th September. We normally would schedule this in Term 4 but would rather minimise possible disruption of face to face learning in Term 4. They will post Literacy and Numeracy tasks out on both days but will not be able to support WEBEX meetings. Members of their PLC team can support other classrooms where needed.

On Friday 17th September we finish school at 1.30pm.
