Rosanna Primary School: A Community of Learning and Growth

Founded in 1940, Rosanna Primary School is nestled within the leafy suburb of Rosanna. Home to more than 300 students, the school aims to inspire curiosity, foster a love of learning, and celebrate diversity and inclusion in a safe, stimulating, and nurturing environment.

Our Commitment to the Community

Rosanna Primary School is passionate about ensuring that our school grounds meet the needs of both the school and the greater community. By consulting with students and the broader community, we continuously identify new projects to enrich the learning and wellbeing of everyone involved. With the support of the Friends of Rosanna Primary School (FORPS) and the greater community, we host numerous fundraisers to bring these projects to life.

Recent Achievements

Thanks to our recent fundraising efforts, we have given the prep area a facelift with the installation of new shaded amphitheatre-style seating. This space is now used for school assemblies and allows teachers to conduct outdoor lessons, making the most of good weather and giving students access to nature. Additionally, we have created a STEM garden, managed by volunteer parents and students. This garden is the focal point of our Friday afternoon “garden club,” which fosters a sense of responsibility, community, and belonging among the children.

Future Projects

As we look ahead, we are actively fundraising to update our school grounds. In particular, we are raising money to create a new nature play space on the school oval which encourages imaginative nature play.

The Rosanna Primary School Fair

Every two years, Rosanna Primary School hosts a school fair to raise funds for these projects. This event is always well-received by the school and the greater community, promising a wonderful day of live entertainment, food, children's rides, activities, and stalls. Organised by parents, friends, teachers, and students, the success of this event relies on volunteers and the support and generosity of the local community and businesses.

Invitation to Sponsor

In order to support the Rosanna Primary School Fair, we are reaching out to our favorite local businesses and inviting you to be a sponsor. Sponsorship and donations are a terrific way for you to gain visibility and generate goodwill and customers for your business.

Opportunities are now available for monetary sponsorship or the donation of goods (up to Silver tier), and our various sponsorship packages are detailed on the next page.
