### 6A

#### 6B Blue

#### 6B Gold

Winning the toss and electing to bat Marist started the game with efficient and effective bowling, a few maiden overs and a few early wickets had the boys feeling good going into drinks. A few stubborn batsmen putting on a substantial tally for St Pats create a sense of desperation in the boys that was short lived after an incredible diving caught and bowled by Rueben in the 13th over. A few retirees making decent totals near the end looked dangerous but thanks to a strong closing by Ed C also taking a caught and bowled and sailing one by the batsmen middle stump, the total of 78 seemed achievable.

A strong opening partnership by Tom and Leighton was quickly dismantled by a few well-placed balls, a middle order collapse seemed inevitable with how St Pats were fielding with 2 direct hit runouts from deep square leg. Thanks to the efforts of middle order James M who survived the longest on field the order was restored and a chance at winning as well. Strong tail end partnerships with 4 retirees helped motivate the remaining batsmen to play great cricket. With the game coming down to the wire and with 2 runs needed off the last over it was no problem for Pat who made a valiant last effort to bring the 6B golds home with a victory.

Great game much skill on display but plenty of potential to tap

#### 6C Blue

The 6Cs started their season with a win. Some great bowling and fielding we were able to limit Iona to 49 runs which the boys should be very proud of themselves. A screamer by Jack White saw the boys bring up the energy in the field and finish the innings well. Credit to Jack White and Paddy Williamson for their great bowling. Following the bowling the batting was just as good. With Flynn Boucaut getting 26\* not out and Maverick Hardiker with a solid hit it set up the rest of the team for a great innings with the result of Marist 2/117 defeating Iona 6/49.

#### 6C Gold

The 6C Gold team put on a strong performance, showing great Marist spirit throughout the match. After losing the toss, St Pat's chose to bat first, and while the game started slowly, our bowlers soon found their rhythm. Jake O'Ryan was a standout, delivering two maiden overs and claiming a key wicket, with Oscar Symonds also impressing with the ball. Our batting innings faced early challenges against some tight opposition bowling, but the team fought back. At the halfway mark, we had taken the lead, and thanks to a solid partnership from Lucas Nightingale and Jake O'Ryan—both finishing not out—we posted a respectable total of 141. A fantastic effort from the boys!

### 5A

Marist 5A produced a remarkable fightback to defeat Iona 5A in a thrilling run chase, successfully reaching 6/173 in pursuit of Iona's imposing total of 6/170.

Chasing 171 for victory, Marist found themselves in deep trouble at 5/30 after a flurry of early wickets. However, Hugo Henderson and Eddie Leyden showed composure under pressure, steadying the innings before shifting gears to take control of the chase. Jack Mannix provided much-needed stability at the crease, ensuring Marist remained in contention.

As the required run rate climbed, Leo Mylne delivered a late-innings masterclass, blasting 21 from just 13 balls to power Marist over the line in a tense finish.

Earlier in the match, Marist's bowlers worked hard to restrict Iona, with Hugo Henderson (1/6) and Patrick Beacroft (1/7) leading the attack with disciplined spells. Despite Iona's strong batting performance, Marist's resilience and late hitting proved the difference in an unforgettable contest.

A gutsy and determined team effort secured a memorable win for Marist 5A, highlighting their ability to thrive under pressure.

#### **Internal Cricket**

In an exciting internal cricket match on Friday the boys were lucky enough to play on McMahon Oval. Ben Cipriano led the batting with 9 runs, followed by Harry Martin with 7. Cipriano also shone with the ball, taking two wickets, while Ben Jefferies, Harry Martin, and Nate Baldwin claimed one each. A great effort from all, with fantastic teamwork and involvement!
