

## Top 100 Universities for Employability

Late last year the **Global University Employability Ranking**, published by the **Times Higher Education**, was published. Recruiters in Australia have chosen the universities they think are the best at preparing students for the workplace.

[Monash University](#) in Melbourne received the highest number of votes from local employers, followed closely by the [University of New South Wales](#).

The global employability ranking, in its sixth year, is designed by human resources consultancy Emerging with employment research group Trendence. It is published exclusively by *Times Higher Education*.

**Top universities in Australia for graduate employability include -**

| Country rank | University                                     |
|--------------|--|
| 1            | <a href="#">Monash University</a>              |
| 2            | <a href="#">University of New South Wales</a>  |
| =3           | <a href="#">Deakin University</a>              |
| =3           | <a href="#">University of Melbourne</a>        |
| 5            | <a href="#">University of Sydney</a>           |
| 6            | <a href="#">Australian National University</a> |
| =7           | <a href="#">Macquarie University</a>           |
| =7           | <a href="#">RMIT University</a>                |
| =9           | <a href="#">University of Queensland</a>       |
| 11           | <a href="#">La Trobe University</a>            |
| =12          | <a href="#">Griffith University</a>            |
| =12          | <a href="#">James Cook University</a>          |

### **Psychology at Deakin University**

From 2017, Deakin University will be offering *new* specialist courses in psychology. Students can apply for one course – **Bachelor of Psychology (Professional Streams)**, and have access to four specialist professional streams to choose from:

1. **forensic psychology**
2. **organisational psychology**
3. **child and family psychology**
4. **health psychology**

Find out more at [Bachelor of Psychology \(Professional Streams\)](#). Deakin University is also very proud of its *new* **Psychology microsite** which has an interactive tool with answers to common questions about studying psychology at Deakin, as well as a portal that allows students to explore the options and career outcomes for students. Find out more at [Deakin Psychology Microsite](#)

## **Studying Health Sciences at Monash**

*Are you passionate about health and keen to contribute to addressing real health challenges whether they confront individuals or communities? If so, Health Science at Monash is for you.*

This course at Monash provides students with a sound foundation in health science, and a broad overview of health care, and skills in identifying, investigating, analysing and assessing health issues. This foundation builds to four specialisations, enabling students to pursue a variety of allied and public health career paths:

- **Emergency Health and Paramedic Practice**
- **Human Services**
- **Public Health Science**
- **Radiation Sciences**

The first half of the degree will focus on building a core foundation in human disease and healthcare. Students will be exposed to the influence of biological, behavioural, developmental, social and environmental determinants of health.

Having acquired the basic scientific, anatomical and epidemiological knowledge that students will utilise throughout their career, students will then begin their specialist studies in the second half of the second year. Depending on their choice, this may mean broadening their engagement from the Caulfield campus (where the common units are taught) to the Clayton and Peninsula campuses.

The VCE prerequisite subjects are Units 3 & 4: a study score of at least 30 in English (EAL) or 25 in English other than EAL, and Units 3 & 4: a study score of at least 22 in Mathematical Methods (any) or Specialist Mathematics, or a score of at least 25 in Further Mathematics.

**Find out more about the specialisations at [Health Sciences @ Monash](#)**

### **AusAppPathways – Explore Apprenticeships & Traineeships**

*AusAppPathways is a free app that will help students and jobseekers explore the many careers that can begin through an apprenticeship or traineeship pathway.* Students can search through over 3000 examples of apprenticeship and traineeship occupations. The Australian Apprenticeships Pathways website backs this app – visit [AusAppPathways](#). This free app can be downloaded on the App Store, or for Android users, on Google Play.

## Health Science Degrees in Victoria

There are many health science degrees offered at Victorian Universities. Below is a list of many of these courses. For a comprehensive list of health sciences courses, including double degrees, on offer at both TAFE institutions and universities, visit [VTAC](http://VTAC).

| INSTITUTION   | COURSE                             | VCE PREREQUISITES  | MAJOR STUDIES  |
|---------------|------------------------------------|--|--|
