

UNIFORM GUIDELINES

Buninyong Primary School Council has made wearing of school uniform compulsory. This position has been taken for a number of reasons, including:

- Making sure our students are well presented
- Making life easier for parents
- Helping children identify with our school and feel a sense of belonging
- Making it easy to identify students when on excursions

These guidelines are designed to help parents understand the uniform, but please give us a call if you have any questions.

Please make sure all pieces of uniform are clearly named. Named items will be returned to students when found.

Sport Tops –

- Polo tops or T-shirts in sports house colours are worn on intra-school sports days (cross country and athletics). House names and colours are as follows:
 - SIMPSON – Royal Blue, INGLIS – Green, CORNISH – White, SCOTT – Yellow
- Children within families will be in the same sports house, so sports tops can be handed down through the family if desired.
- When representing the school at interschool sporting events students will wear either their school polo top (eg, athletics, cross country, netball) or tops provided by the school (eg, football jumpers, soccer tops).
- Regular school uniform is worn during weekly PE sessions. A second pair of runners with non-marking soles, is required for PE classes. This helps stop our gym floor from getting dirty and marked. Runners worn for PE aren't required to be black.

Please note

- Apart from the Buninyong PS logo, clothing worn to school should be logo free.
- Grade 6s will continue to have the option of purchasing a special grade 6 black polar fleece top with student names.
- Jeans, Hoodies or Vests are not part of the school uniform for boys or girls at any stage of the year.
- Buninyong Primary School Backpacks are available for purchase from the School Uniform Shop but are not a compulsory item.

These guidelines will be reviewed in 2024.
